**BAPTISMAL DEATH  
AND RESURRECTION**

As we celebrate the Baptism of the Lord, we also honor our own baptism as our initiation into the Christian life and community. In the Gospel, the baptism of Jesus, with his immersion and then emergence from the water, points to his later submission to God at his death, and his emergence from the grave at his resurrection. This pattern of death and resurrection is our path too, as followers of Jesus. Throughout life, often in small ways, we learn to surrender our limited and self-centered agendas. This surrender often feels like death. The sacrament of Baptism ritually enacts this pattern to remind us of Jesus' death and resurrection, so that we too might embrace the deaths and resurrections of our own lives. As Jesus emerged from the water, he encountered his Father and the Holy Spirit. Like Jesus, we can know we are God's beloved, empowered by the Spirit.

### LOOKING TO RECONNECT WITH YOUR FAITH?

If you've been away from church for a while and are interested in reconnecting, we have a program just for you. It is called **Landings**. Landings is a 10-week, discussion-based gathering of people interested in revisiting their Catholic faith. It is for asking questions and getting answers. For more information, email [landings@olaparish.org](mailto:landings@olaparish.org).

### THE POPE FRANCIS SYNOD

Pope Francis is offering Catholics an opportunity to have a say in the life of the Church by participating in a survey for the upcoming Pope Francis Synod. This survey will ask questions about some of the important issues facing the Church today in a rapidly changing world. This is the first time in history that the Vatican is seeking the input from Catholics in every part of the world. Your voice will make a difference; so it will be important that you participate in the survey and express your opinion.

The results from this nationally recognized survey will provide feedback from which content for engagement sessions to be offered in February and March will be developed. For more information, please visit
