## ETERNAL LIFE

What happens after we die? Most religions and philosophies provide some notion of this, but we are confounded by the mystery of it all. Today's readings give us a glimpse through the faith of martyrs and in the words of Jesus. In the Old Testament reading, the Maccabee brothers assert with total confidence that the God who gave them life would also raise them to eternal life. This was not universally accepted in ancient Israel. The Sadducees, who denied any resurrection of the dead, try to trap Jesus with a hypothetical riddle. Jesus, known for turning such things around, dismisses their unbelief, noting that even Moses knew that all are alive in God. Saint Paul tells the Thessalonians that we live in everlasting encouragement and hope, and Psalm 17 echoes this with words of faith that we will see God's face, waking in God's loving presence.

## FRATERNITY

### PLEASE VOTE "NO" ON PROP 1

California is presently one of the most permissive states in the nation for abortion. Proposition 1 promotes an unlimited expansion of abortion here, while its defeat would keep all abortion laws as they are, including some limits on late-term abortions. Our bishops are calling us to unite in prayer and action to defeat Prop 1. Please visit [sfarchdiocese.org/noonprop1](https://sfarchdiocese.org/noonprop1) to find answers to common questions and resources to help defeat this misleading, expensive, and unnecessary ballot initiative.
