Our Lady of Angels CAPUCHIN Franciscan

THE GLORY OF THE DIVINE WAY

Today's readings draw us into ageless, vibrant depths. Followers of God's law, we belong to ancient traditions. Children of God, we marvel at the freshness of creation. The Old Testament readings, from Sirach and the Psalms, celebrate the rich blessings we receive when we observe God's commands—not because we are slaves to the law, but because the law gives life in abundance. Saint Paul's Letter to the Corinthians confirms the glory of divine law, but warns that God's ways tend to be unpopular and misunderstood in this world. Paul speaks of the ancient wisdom of God, which is mysteriously both "hidden" and "revealed." God does not have secret codes that we earthly mortals cannot understand; in love, God reveals the glory of the divine way in Jesus. Saint Matthew's Gospel emphasizes the importance of living in God's law, enlivened by a deep and personal relationship with Jesus.
