**WHO WE ARE
AND WHOSE WE ARE**

The Lenten season is a fresh invitation to explore again who God is, who we are, and what it means to be human. We begin by hearing the tragic story of the first humans in the book of Genesis. As Paul describes in Romans, our struggles started when our ancestors broke the bond of unity with God, sought self-sufficiency, and grew apart from their true purpose and identity. In Matthew's Gospel, we see how Jesus resists the lure of living outside of unity with God. Jesus rejects false promises of possessions, power, and status. Instead, he puts his life in his Father's hands. As our model for living as a fully human person, Jesus demonstrates that we are created to live in relationship with and trust in God, and in harmony with and for all of creation.
