SEEING THE LIGHT

Our Lenten journey continues this Sunday as we hear of Jesus healing a blind man in the Gospel of John. Jesus proclaims himself the light of the world, a light that overcomes darkness and enables a new capacity to see. The man, blind from birth, was able to begin his path to sight by first acknowledging his blindness. We are reminded of God’s ongoing invitation to us to journey from blindness to sight. We begin by acknowledging our own capacity for “blind spots,” and so open ourselves to uncomfortable truths and to God’s healing. We are invited to see beyond appearances, as the reading from Samuel indicates, and to look into the heart of things. We are invited to “live as children of light” as the letter to the Ephesians teaches. Like the man healed from blindness, we may gradually learn to see fully and to follow Jesus.
