EMMAUS AND THE MASS

Emmaus might as well be Brigadoon. We hear of it in this one story—and it’s only in Luke—and then it disappears. The journey to Emmaus is one of the most beloved stories about Jesus, and yet the town is probably “mythical” in the truest sense. Like so much of life, this story is about the journey, not the destination. Running away from Jerusalem and their fears, probably going home in disillusionment, two of Jesus’ disciples encounter a stranger on the road who, like a rabbi, is able to help them understand their experiences using his deep knowledge of scripture. Later, sharing a meal with him, they recognize the stranger as Jesus, and they return to Jerusalem to tell the others. How like our Mass—we hear the scriptures and an explanation of them, we share a meal, and then we go out to tell the good news.

Visit www.ola.formed.org or scan the QR Code to the left on your phone’s camera.
