GOSPEL MEDITATION

Isn't it a bit weird that Catholics call the Pope "papa," father? This Sunday provides us with essential Scriptural background on the papacy, the petrine office. Jesus gives Peter the "keys to the kingdom of heaven," after witnessing to the special grace Peter has to know Jesus' true identity. Many have pointed out that the "keys" refer back to the figure of Eliakim, King David's prime minister. True enough. But notice this is not mere authority or power. It's a family relationship. The Lord says to Eliakim, "He shall be a father to the inhabitants of Jerusalem" (Isaiah 22:21). David's prime minister was a spiritual father to the family of Israel. Peter, and his successors, will be spiritual fathers in the family of the Church.

This means we have a serious obligation to not only recognize the Pope's authority, but also to love him with the affection of children for their papa. We should never speak about him with disrespect. We should listen to him with trusting hearts, and ignore the slander thrown at him in various media. When we show the world we are loving and obedient to our Holy Papa, perhaps they'll see more clearly that the Church is indeed God's beloved family.

OUR LADY OF ANGELS
A Catholic Parish | Served by Capuchin Franciscans

EXCITING NEWS FROM OUR LADY OF ANGELS

We have been fortunate here at Our Lady of Angels to have had the Capuchin Friars as our spiritual leaders for almost a hundred years. During this time, they have built a beautiful church and a very fine school, gymnasium, rectory and friary. They have grown the Catholic community to over two and a half thousand families. Throughout these years they have faithfully served the spiritual needs of their flock.

Now the mantle has been passed on to us and the generations following. For this reason, I have been eager to find opportunities to nourish and support our parishioners in an ever changing world. We were fortunate that an opportunity to look to the future presented itself to us during this past year.

OLA has been chosen as one of six parishes in the Archdiocese for a special project called "Next Generation Parishes". We have been given the expertise of a national organization called Catholic Leadership Institute (CLI) designed to prepare parishes in the United States for future generations. We are all very aware of how rapidly our society values and priorities are changing to a more secular world.

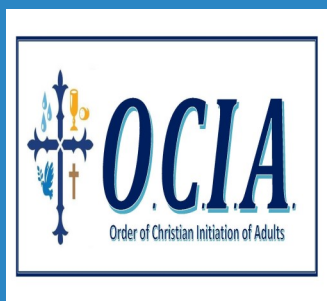

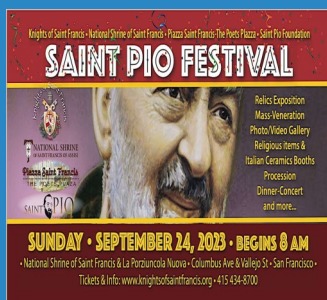

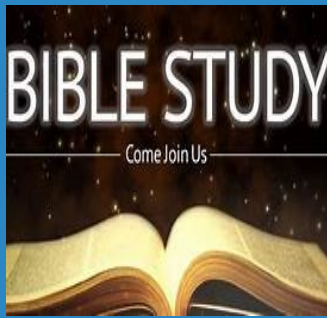

I am happy that we at OLA have the opportunity to anticipate and "stay ahead of the curve". With expertise from CLI we will focus on three areas over a four year period:

1. Assess the strengths of our parish and how we will build on them for the future.
2. Develop a plan with goals and objectives that are real and measurable.
3. Cultivate an even greater awareness in the parish of how blessed we are and the call of the Church to reach out to others who are less fortunate.

Our goal is to use our talents, time and treasure to bring the message of salvation to as many people as possible. Over the next four years, we will roll out a comprehensive program with goals and objectives that, when achieved, will set us up well for the future. You too will have the opportunities to be part of this exciting adventure. More information will be available to you as the project proceeds. So fasten your seatbelts, we are ready for lift-off. I look forward to being with you on this journey.
