GOSPEL MEDITATION

Sometimes I feel capable of absorbing almost anything except God's Word. My mind soaks up song lyrics, sports trivia, and endless online content. But what was the reading at Mass this morning? I struggle to recall. That realization discourages me, and it leads to an uncomfortable question. What is my heart really for? Is it shaped for constant information and distraction, or is it truly designed for God? Am I capable of deeply receiving His Word?

Jesus speaks directly to this today with a simple image. **"The seed sown on rich soil is the one who hears the word and understands it."** By comparing the Word of the Kingdom to a seed, Jesus reveals something hopeful about us. The human heart is made for that seed. Soil and seed belong together. No matter how compacted, rocky, or overgrown the ground has become, the Sower never stops sowing.

God loves our hearts. He sees them as a farmer sees his fields, full of potential. Human hearts can indeed **"understand the Word."** Understanding does not mean mastering information. It means letting the Word sink in, interacting with it, and giving it a home. It means trusting that, beneath the surface, God is at work in quiet and hidden ways.

When we allow the Holy Spirit to loosen the soil of our hearts through prayer, repentance, and simplicity, the same Word that created the universe begins to bear fruit in us, 30, 60, even a hundredfold.

POPE'S JULY PRAYER INTENTION

Pope Leo XIV invites Catholics to pray 'for respect for human life,' so all may 'recognize and protect the unique and unrepeatable value of every human being.' The Pope recognizes that the Lord has created each of us in love and called us to live in fullness. He expresses his wish that we learn to "welcome life unconditionally," to "tenderly care for fragility," to "accompany each stage with respect," and "to bravely defend those who have no voice." He asks the Lord to forgive us when we fall into indifference or the culture of discard, and when we fail to see in others a being worthy of love. He prays that the Lord help His Church become a living witness of the Gospel of life, "an open home where every life is celebrated, where no one feels unwanted, and where dignity is always honored and protected." Finally, Pope Leo concludes by imploring the Lord Jesus to help us love life as He does, "with tenderness, fidelity, and self-giving."

65+ SINGLE SENIORS GROUP - WHO ARE THEY?

The 65+ Senior Singles of OLA is a welcoming group of singles, men and women (widows, widowers or simply single) dedicated to growing in faith, friendship and fun. The group was founded in October 2024 and within a month, they had their first activity, an Appetizer Social. The vibrant group enjoys activities such as a monthly coffee club, restaurant lunches, potlucks, movie outings, and an annual BBQ in the St. Francis Garden. Together, they deepen their spiritual lives through prayer, Mass, and meditation. Rather than allowing yourselves to feel caught up in loneliness and isolation, they create a safe place to share your challenges and feelings. They may just listen or they may help you draw out a solution. The goal is to create new friendships that support, care for each other and may even help you rekindle your individual and or hidden gifts and talents. They are a growing and thriving community of elders within the larger OLA Community and are eager to welcome you. Contact Marina (650) 347-5132 with questions or to be added to the email list.

ARCHDIOCESE OF
SAN FRANCISCO

OFFICE OF THE ARCHBISHOP

June 29, 2026

Dear Faithful of the Archdiocese of San Francisco:

Today, I am informing you that we have reached a settlement agreement in principle associated with the Chapter 11 bankruptcy action in the amount of \$395 million.

The proposed financial settlement would resolve all lawsuits related to child sexual abuse brought against the Archdiocese under California Assembly Bill 218 (AB-218).

We recognize that no financial settlement can erase the painful legacy of these past actions. However, we believe this proposal offers a path toward fair compensation for survivors who have carried the burden of this abuse for a lifetime. Sexual abuse of children and young people is a tragedy that has affected many parts of society, including the Church. Although most of the sexual abuse claims brought under AB-218 in the Archdiocese of San Francisco involve incidents dating back many decades and individuals who are deceased or no longer in ministry, we accept responsibility for the failures that allowed this harm to occur. I sincerely apologize to all those who have suffered because of those failures. We remain committed to fostering healing and reconciliation and to accompanying all who deserve our unwavering respect, attention, and prayers.

California has, on more than one occasion, lifted the civil statute of limitations for historical sexual abuse claims, and the real possibility of future legislative changes presents a significant risk to our Archdiocese, parishes, and schools. To address potential liability arising from known and unknown historical claims, the proposed settlement includes a channeling injunction and releases for the Archdiocese and other archdiocesan entities. These protections require that covered claims be resolved through the settlement trust established for that purpose rather than through civil litigation.

Over the past decades, the Archdiocese has absorbed the financial impact of legal expenses and settlements on behalf of parishes, schools and other related entities. The current environment is much more challenging. While parishes and other archdiocesan entities were not included in the Chapter 11 filing, they will need to contribute funds and assets not restricted for specific purposes toward this proposed settlement to secure these legal safeguards and share in the work of making amends for the harm of the past. I want to emphasize that our central archdiocesan chancery office is contributing as much as possible to minimize parish impact, and no donor-restricted donations to parishes, schools, or the Archdiocese, nor donations to the Archdiocesan Annual Appeal, will be used. Each pastor is receiving information about parish contribution amounts, and additional information about channeling injunctions and releases is available in the attached Q&A document.

We want our Catholic family to move forward together and continue to focus on and grow our vital [ministries](#) to the faithful and community members who rely on our services and charity. Our faith calls us to maintain strong screening and preventative measures to protect children and eradicate this shameful crime from our midst and from society as a whole. Since the 1980s, the Archdiocese of San Francisco has prioritized training and background screening, and our Office of Child and Youth Protection and [Safe Environment Program](#) has an outstanding independent audit record.

I want to express my deepest appreciation to our chancery, parish and other archdiocesan leadership teams who, along with a very capable team of legal professionals, worked tirelessly for more than 30 months to bring about this proposal. Together, they engaged in this very challenging work with the highest integrity, character and authentic care and sensitivity. While there is much work still to be done as we make progress in good faith on the details of a consensual Chapter 11 plan of reorganization, I ask you to join me in prayer for all survivors of sexual abuse, for our Archdiocese, parish communities and schools.

Sincerely yours in our Lord,

Most Reverend Salvatore J. Cordileone
Archbishop of San Francisco
